

Success of SAT Score

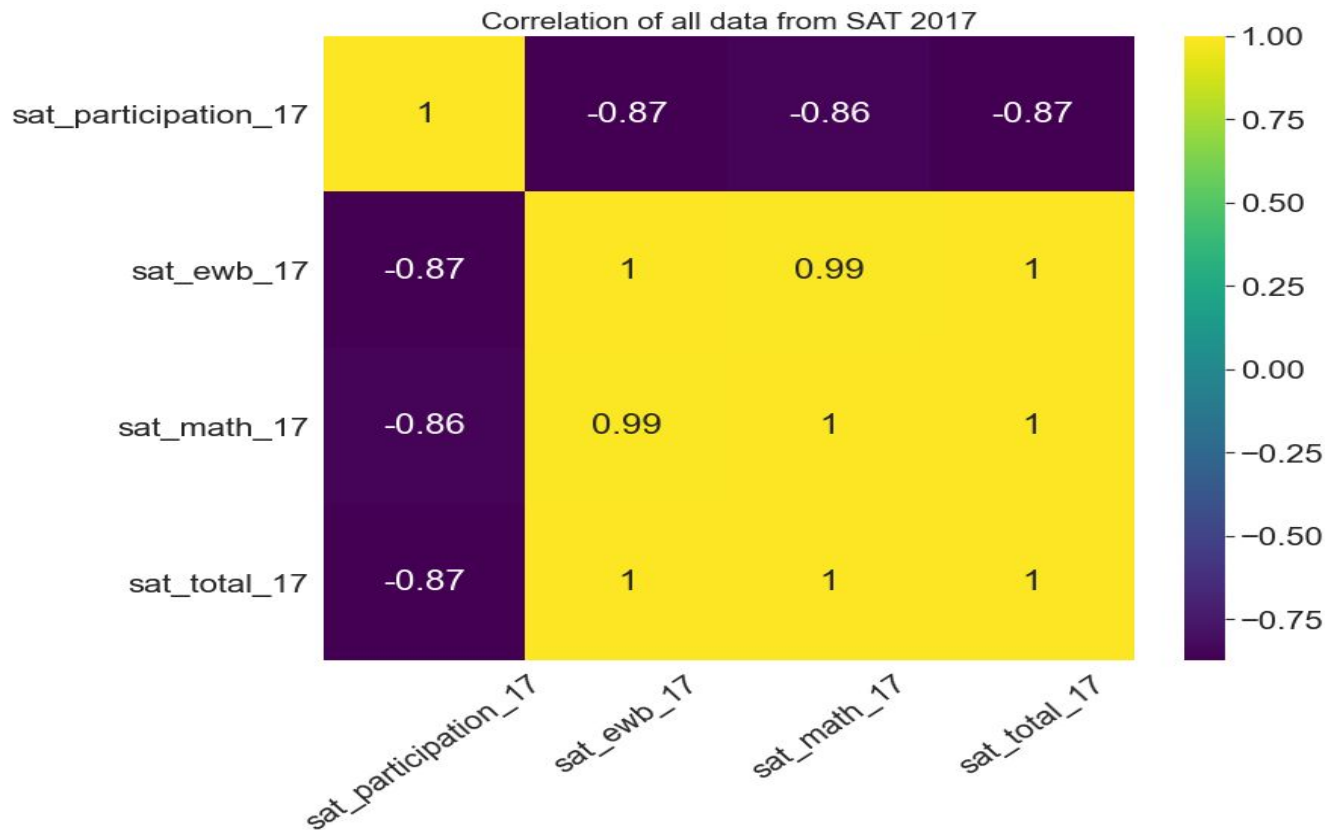

Muhamad Tahir
GA Meeting 02/05/2021

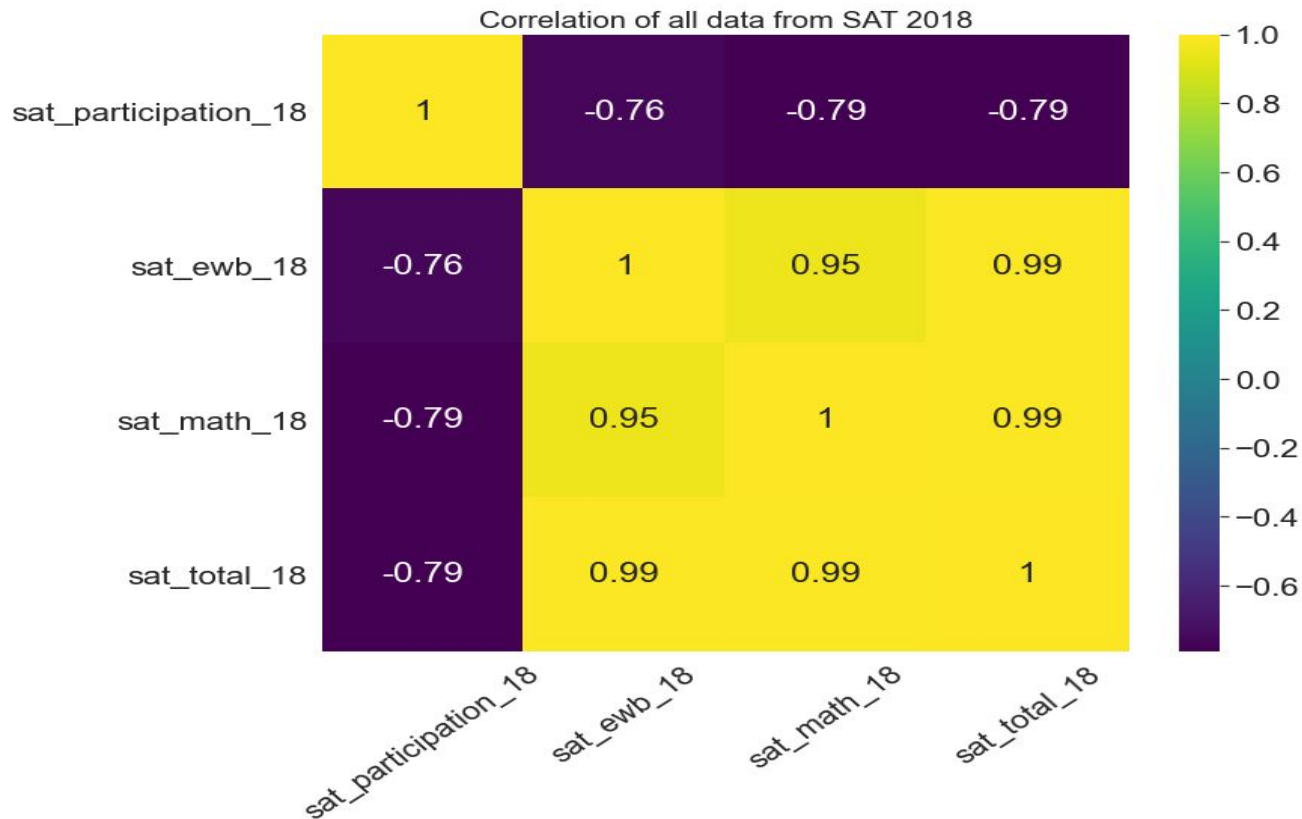

Content of the presentation

- SAT data from 2017-2018 & correlation
- Total score of SAT 2017 and 2018
- SAT 2017 and 2018 participation rate
- Representation of participation vs scores
- Recommendation

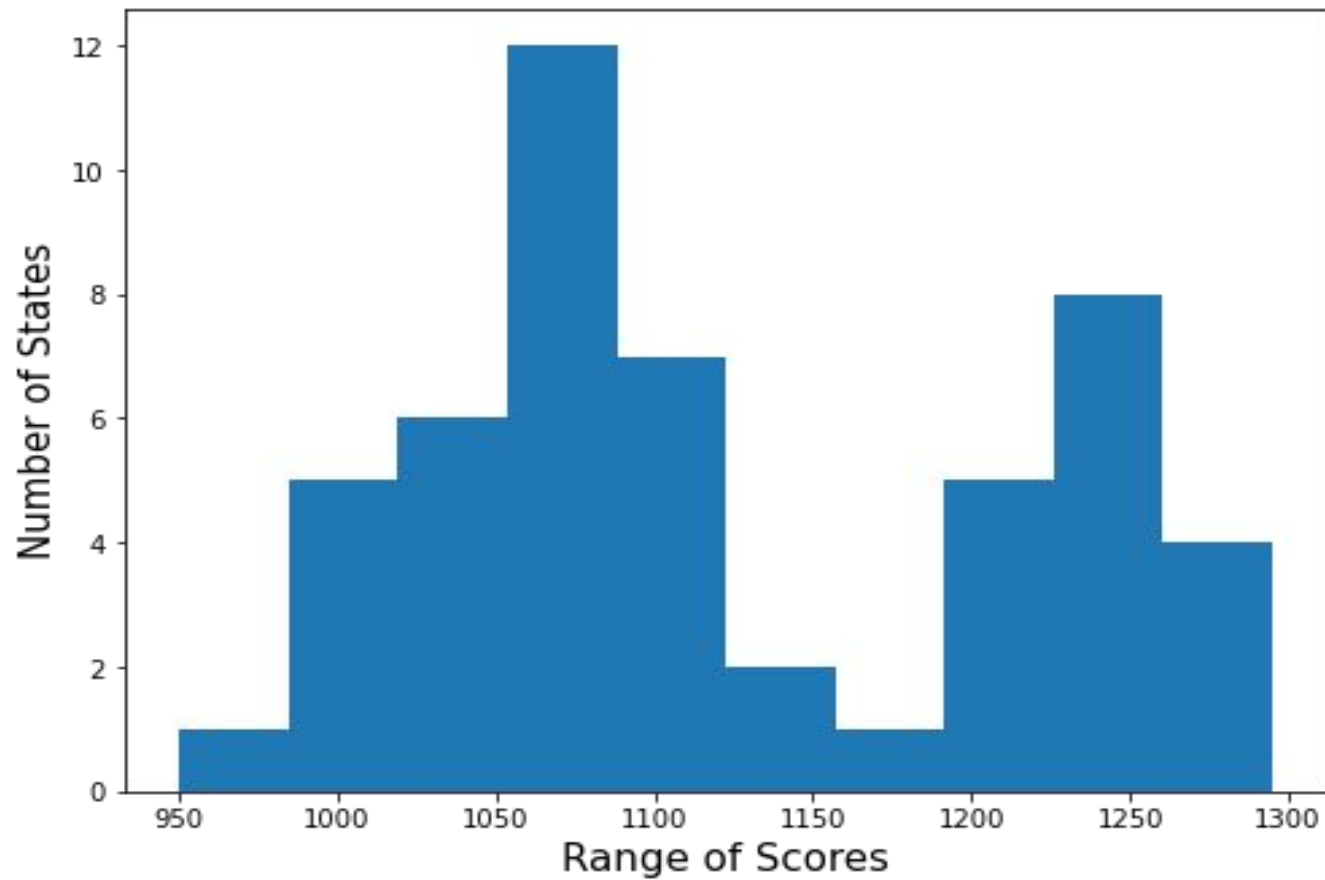

Correlation of 2017 SAT Data

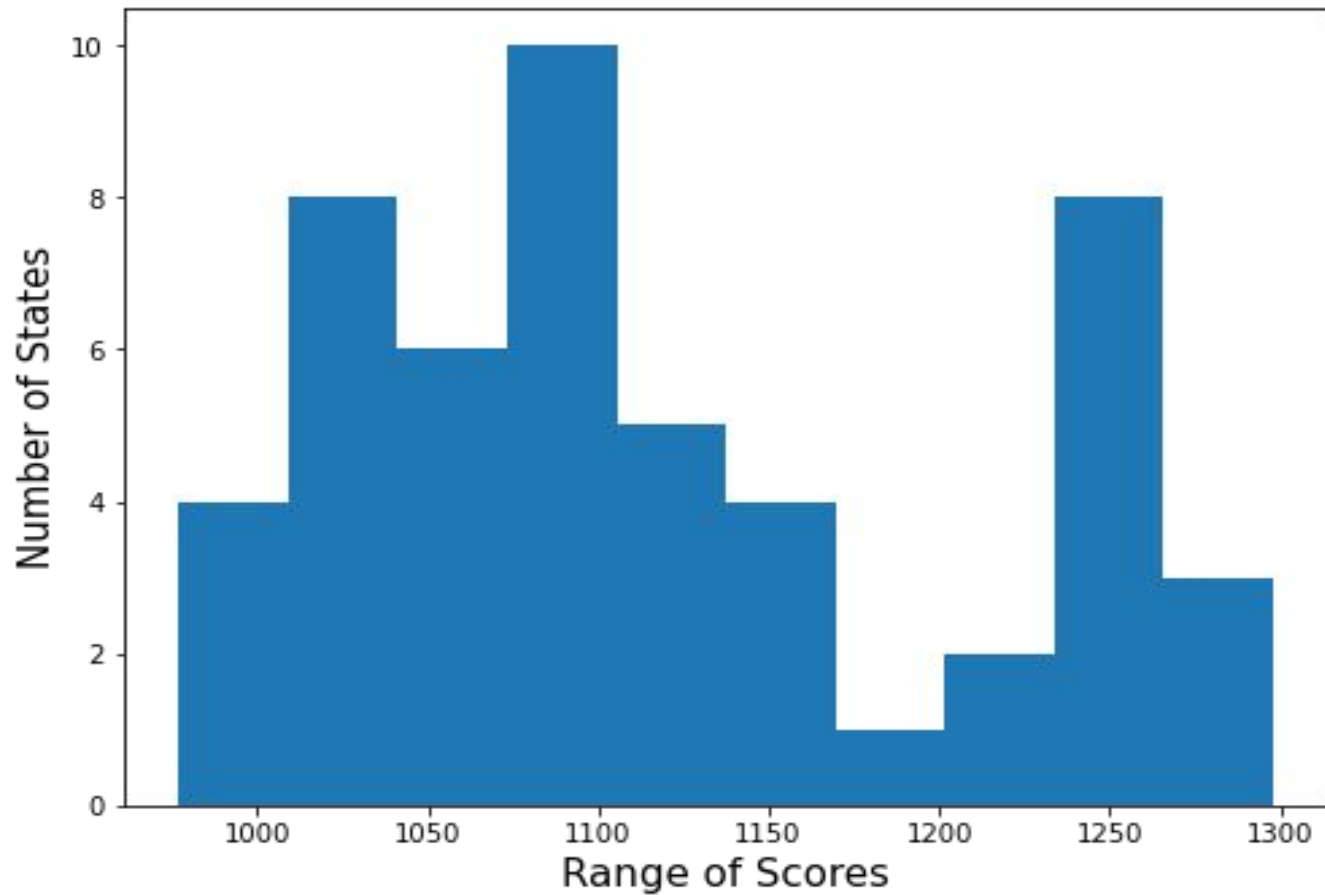

Correlation of 2018 SAT Data

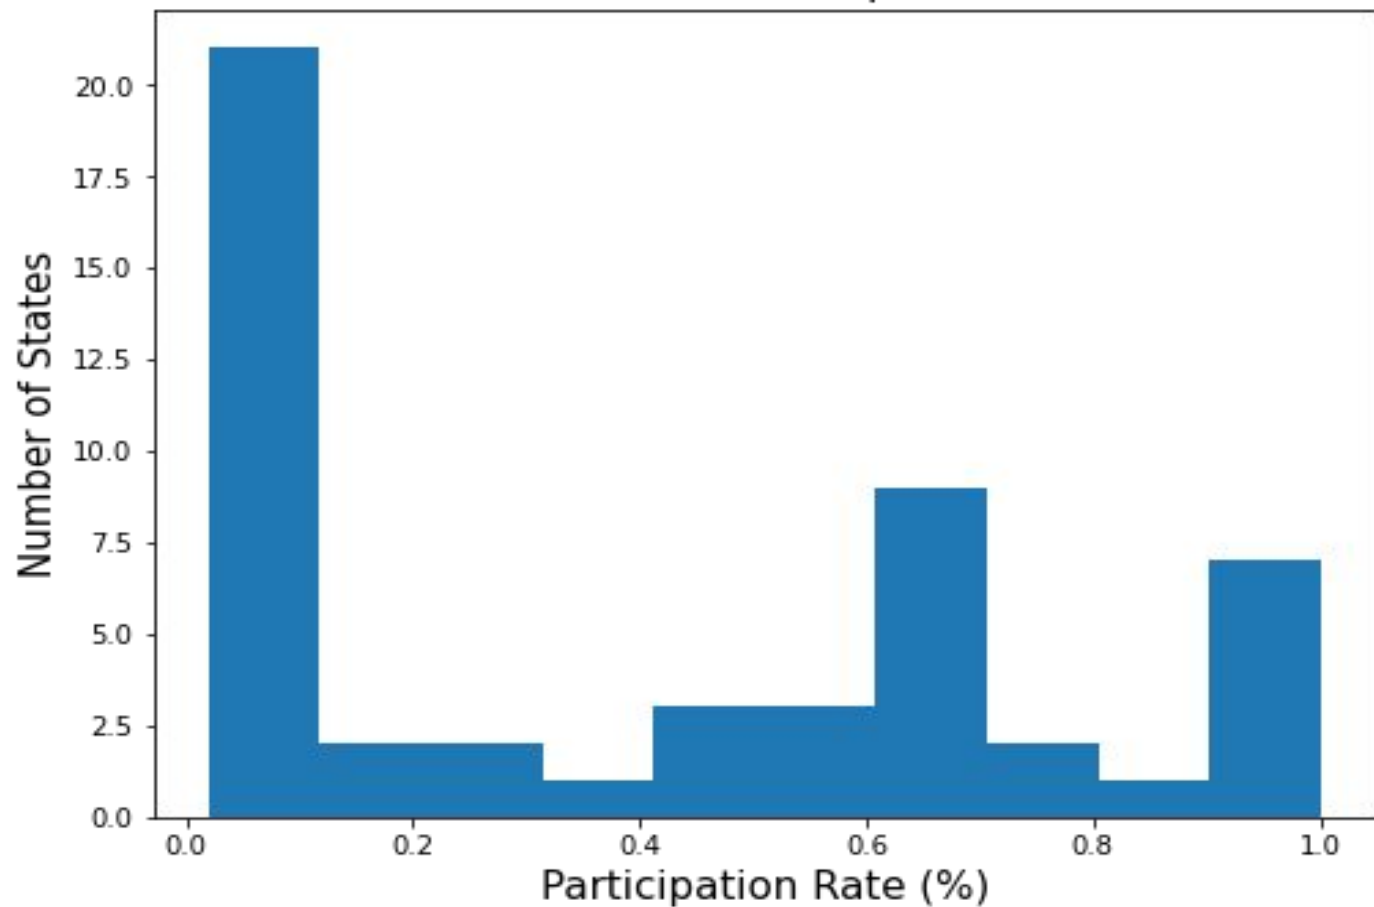

SAT 2017 Total Score

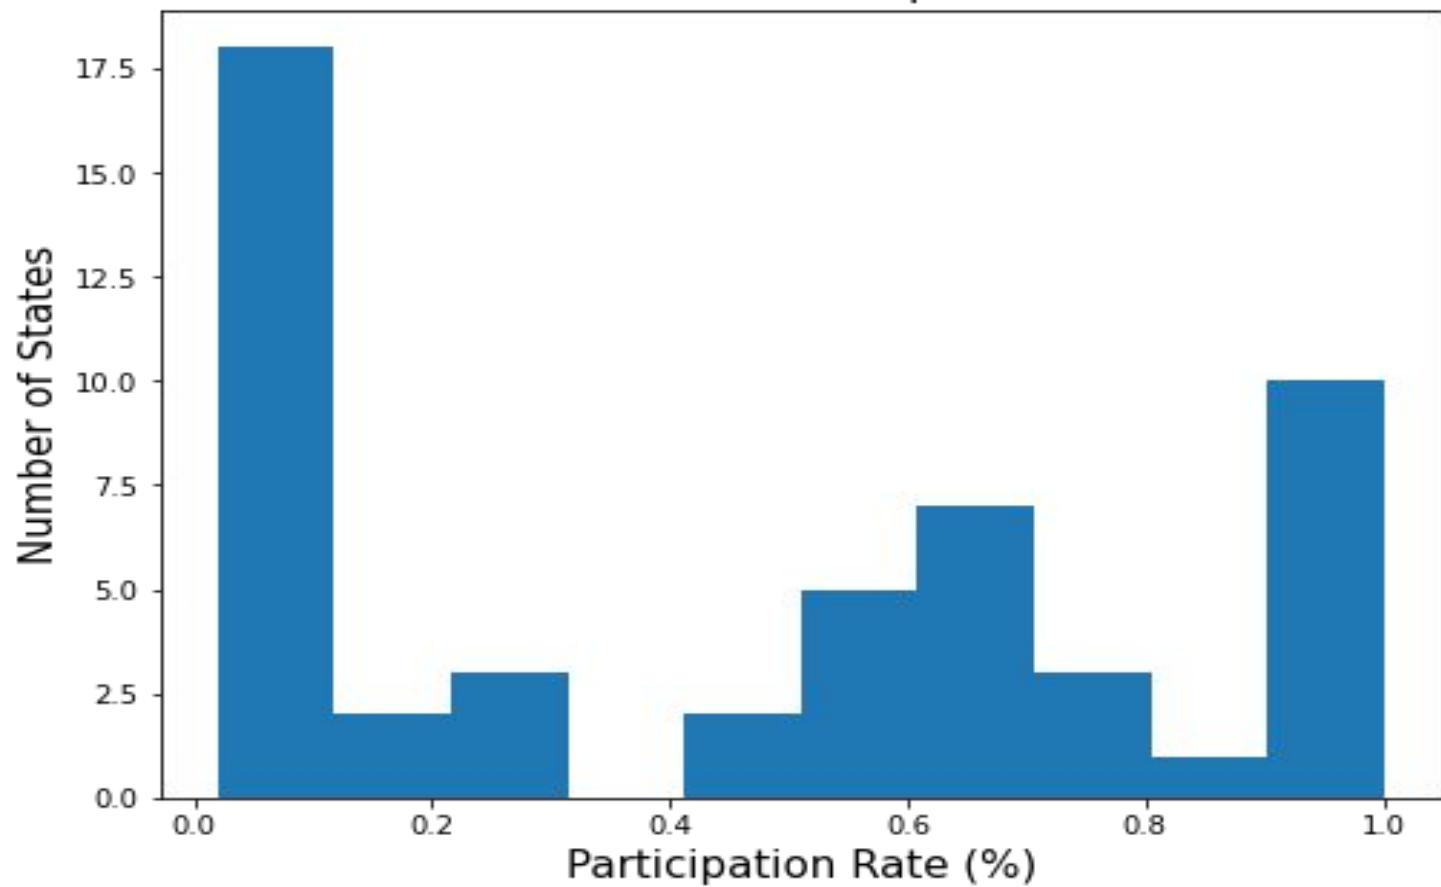

SAT 2018 Total Score

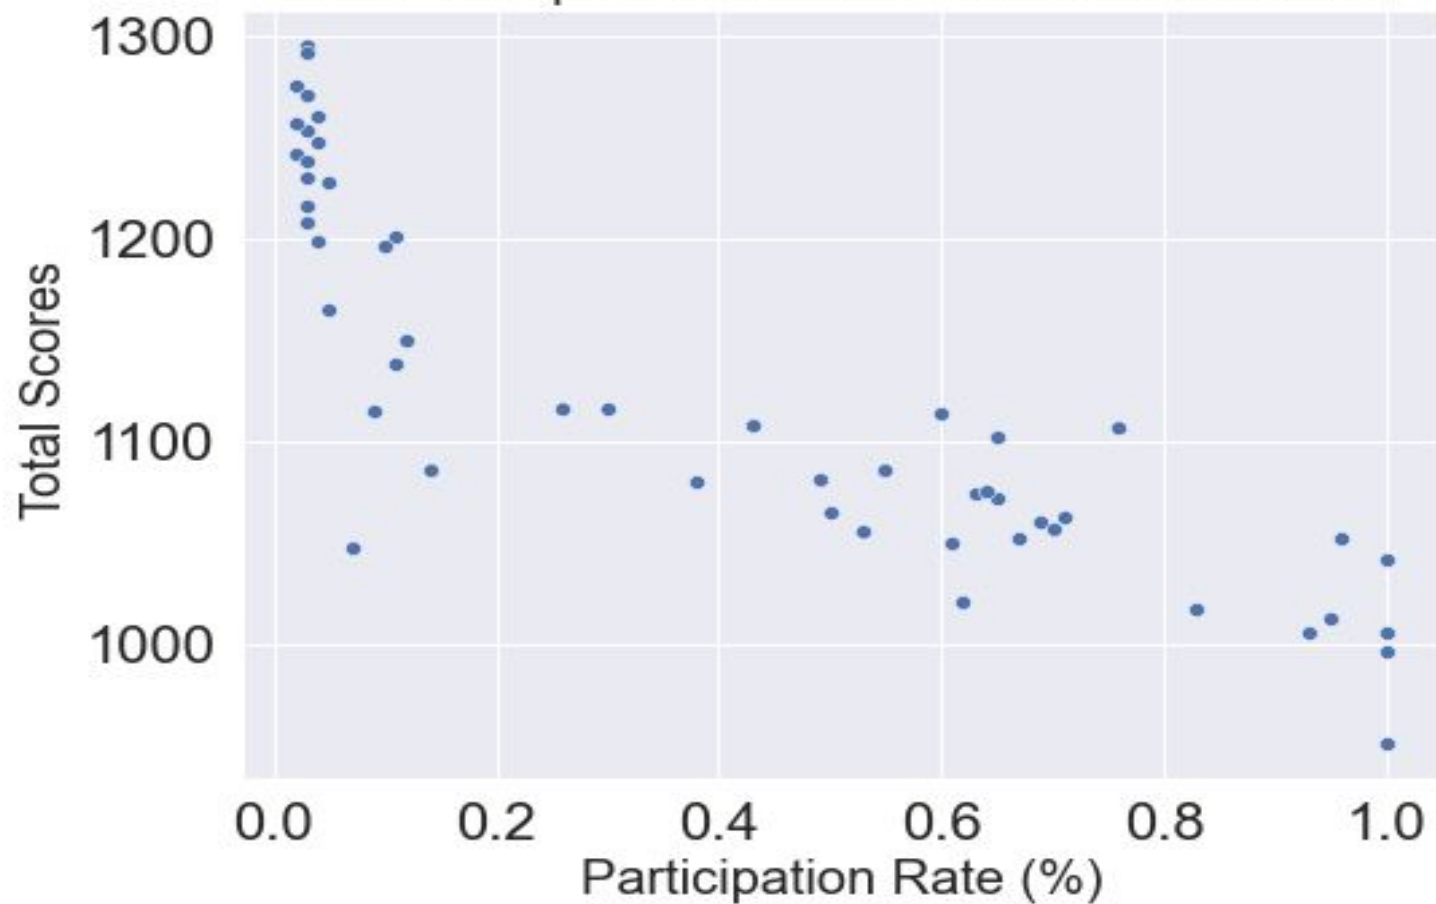

SAT 2017 Participation

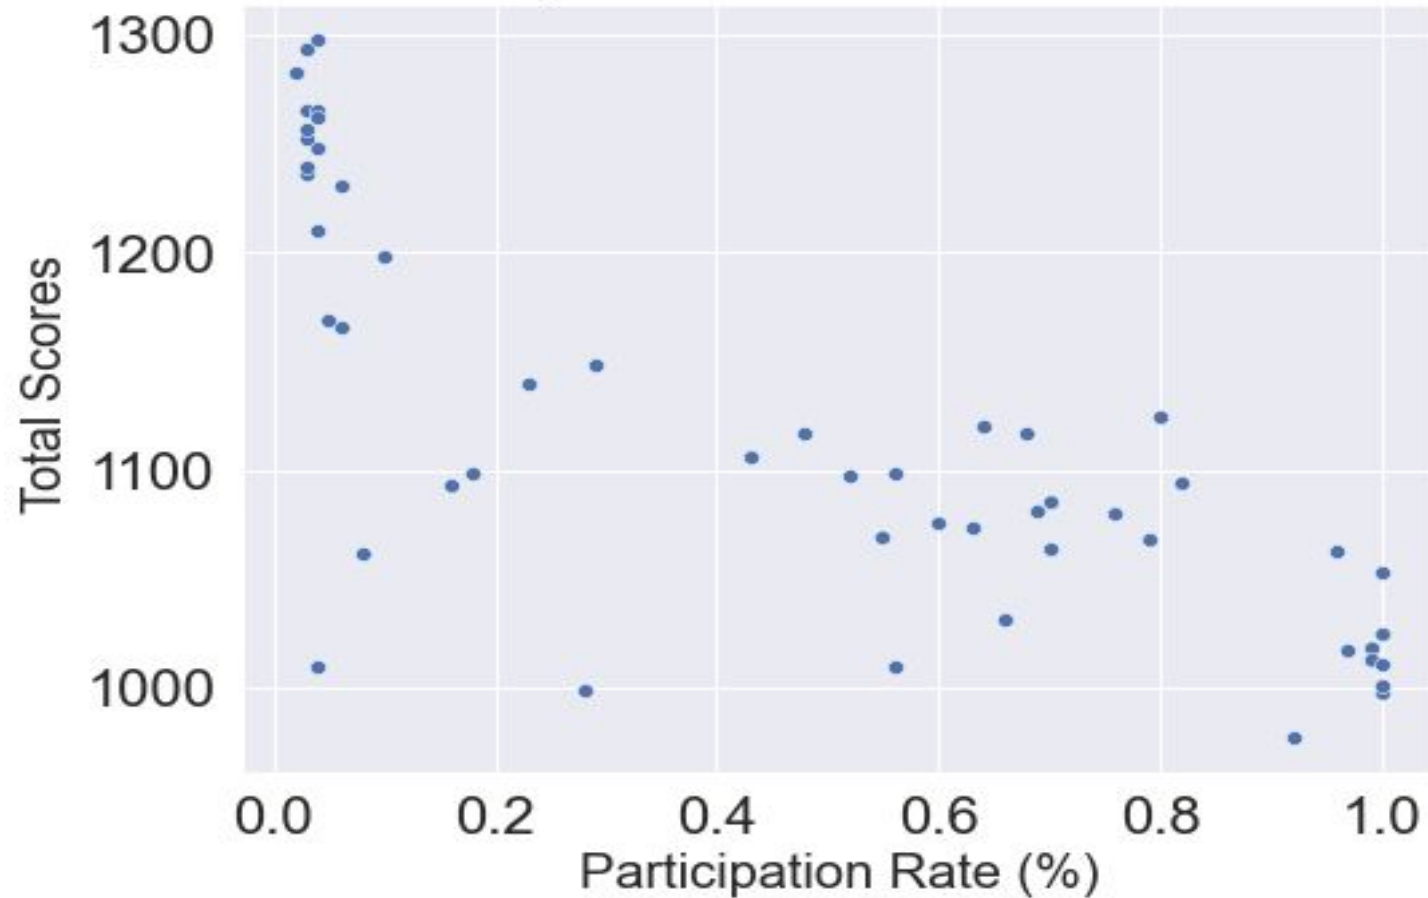

SAT 2018 Participation

SAT Participation Rate vs Total Scores in 2017

SAT Participation Rate vs Total Scores in 2018

Conclusions & Recommendation

- Correlation is negative; participation increase and score decrease
- No focus on prep material & only on participation
- Focusing on prep support can lead potential impact on success of SAT score
